## Behavioral Interview Questions

In addition to being ready to answer these standard questions, prepare for behavior based interview questions. This is based on the premise that a candidate's past performance is the best predictor of future performance. You will need to be prepared to provide [detailed responses](#) including specific examples of your work experiences. Review examples of [behavioral interview questions](#).

## Tough Interview Questions

These are some of the more difficult interview questions that you may be asked on a job interview.

## Interview Questions to Ask

The last job interview question you may be asked is "What can I answer for you?" Have an [interview question](#) or two of your own ready to ask. You aren't simply trying to get

this job - you are also interviewing the employer to assess whether this company and the position are a good fit for you.

## **Compile Responses to Interview Questions**

Take the time to compile a list of responses to all types of interview questions and to itemize your skills, values, and interests as well as your strengths and weaknesses. Emphasize what you can do to benefit the company rather than just what you are interested in.

## **Add an Interview Question**

Have you been asked an interview question that isn't on the list? Share the questions you have been asked on job interviews and add them to our list.

## **Free Job Search Newsletter**

It's your turn! As the interview comes to a close, one of the final questions you may be asked is "What can I answer for you?" Have interview questions of your own ready to ask. You aren't simply trying to get this job - you are also interviewing the employer to assess whether this company and the position are a good fit for you.

Here are questions to ask the interviewer so you can ensure the company is a good match for your qualifications and interests.

## **Interview Questions to Ask the Employer**

- How would you describe the responsibilities of the position?
- How would you describe a typical week/day in this position?
- Is this a new position? If not, what did the previous employee go on to do?
- What is the company's management style?
- Who does this position report to? If I am offered the position, can I meet him/her?
- How many people work in this office/department?
- How much travel is expected?
- Is relocation a possibility?
- What is the typical work week? Is overtime expected?

- What are the prospects for growth and advancement?
- How does one advance in the company?
- Are there any examples?
- What do you like about working here?
- What don't you like about working here and what would you change?
- Would you like a list of references?
- If I am extended a job offer, how soon would you like me to start?
- What can I tell you about my qualifications?
- When can I expect to hear from you?
- Are there any other questions I can answer for you?

### **Interview Questions NOT to Ask**

- What does this company do? (Do your research ahead of time!)
- If I get the job when can I take time off for vacation? (Wait until you get the offer to mention prior commitments)
- Can I change my schedule if I get the job? (If you need to figure out the logistics of getting to work don't mention it now...)
- Did I get the job? (Don't be impatient. They'll let you know.)
